

## Shop Inventory User Tutorial

Purpose: Find parts quickly and record TAKE/RETURN moves.

- 1) Sign in with your PIN at /lock.
- 2) Search by part ID, name, color, or category.
- 3) Select a part to open the detail view.
- 4) Choose TAKE or RETURN and a quantity chip.
- 5) Confirm the move; the inventory updates immediately.
- 6) Use the AI assistant for quick questions (if enabled).

Tip: If a part is missing, report it to an admin for review.
